

MAINONE BUSINESS CONTINUITY POLICY

In providing telecommunications and data center services, MainOne is committed to implementing a business continuity management system to protect its assets and ensure quick recovery to a sustainable business operations state in the event of a disruptive incident.

In line with the requirements of ISO 22301:2012 standard, this policy is reviewed annually for suitability, and updated when necessary.

This policy has been communicated to all employees, relevant stakeholders and is made available to interested parties, as appropriate.
